**National Innovation and Start-up Policy (NISP)**

**Committee 2020-21**

The National Innovation and start-up policy 2020 for students and faculty of Higher Education Institutes (HEIs) as guiding frame work will enable the institutes to actively engage students, faculties, and staff in innovation and entrepreneurship related activities. The institute innovation cell in consultation with Principal has decided to be a part of NISP framework which will facilitate Ministry of Human Resource Development (MHRD) in bringing uniformity across HEIs in terms of Intellectual Property ownership management, technology licensing and institutional start up policy, thus enabling creation of robust innovation and start up ecosystem. As per the discussions held during the meeting conducted on 9<sup>th</sup> April 2021, which was attended by our NISP coordinator, following committee is formed to implement, amend and monitor NISP 2021. Members of the committee have agreed to support and share their expertise in successful implementation of NISP 2021.
