

PCET'S NCER-SKILL LYNC TEI UP PRESENTS PROSAP

Increase your chances of getting employed [?](#) while doing your undergraduate studies in Engineering

Nutan College of Engineering and Research along with Skill-Lync presents PROSAP

PROSAP program is designed specifically for engineering students to skill up and build their technical profile by providing access to LIVE industry-based projects

NCER and Skill-Lync tie-up will help you provide PROSAP Program with the following benefits [?](#) [?](#)

- Modules: One module per semester
- Access to LIVE industry-based projects
- Each module covers online course material, online lecture
- 2 mini projects and 1 main project per semester leading to 16 mini & 8 main projects through your complete engineering course
- Technical support by Skill-Lync
- Certificate on completion by Skill-Lync
- Placement assurance on completion of above by Skill-Lync

The various specializations in each branch are as follows:

Computer Science:

- Full Stack Development
- Data Science & Data Visualization
- Artificial Intelligence and Machine Learning
- Cloud Computing
- Specialization in Computer Vision

Electronics and Communications Engineering:

- VLSI
- Telecommunication
- Automotive Embedded
- Autonomous Driving

Mechanical Engineering:

- Hybrid Electric Vehicle
- Autonomous Driving
- FEA
- CFD
- Robotics and Machine Learning

NUTAN COLLEGE OF ENGINEERING & RESEARCH

&
SKILL-LYNC

Presents

PROSAP

World's first program for engineering students to skill up and build their technical profile by providing access to LIVE Industry-based projects

To help you secure your dream career in college itself!

Fresher Engineer with experience!

SOUNDS TOO GOOD TO BE TRUE?

**NCER & SKILL-LYNC PROSAP
WILL HELP YOU STAY AHEAD OF
COMPETITION**

NCER & Skill Lync Tie-Up will Provide

PROSAP courses to students

- It will contains 8 modules (one per sem)
- Access to LIVE Industry based projects
- 16 mini projects & 8 main projects
- Tech support by Skill-Lync
- Placement assurance on successful completion of above by Skill-Lync
- Certification on completion

Thus, this will help you build specialized competency within your engineering domain to compliment your UG studies
